FOR IMMEDIATE RELEASE
JUNE 11, 2007

Relais International is pleased to announce that two more Australian libraries have selected Relais ILL as their ILL management system. The University of New South Wales, Australian Defense Force Academy (Canberra) and Flinders University (Adelaide) have selected Relais ILL. Their implementation is being planned for mid 2007.

Clare MacKeigan, COO of Relais International, is pleased to welcome both institutions to the growing list of Relais customers in Australia. Relais International is represented in Australia and New Zealand by DA Library Technologies (www.dalibtech.com)

Relais™ International Inc is based in Ottawa, Canada and has been selling systems to support interlibrary loan and document delivery services since 1996. Relais International (www.relais-intl.com) assists libraries in implementing intelligent and automated methods to support the delivery of documents. Relais products range from scanning stations through to fully integrated request management, scanning and delivery software suitable for a single library through to a consortium.
