
For Immediate Release

June 4, 2007

Relais™ International Inc and the Bibliographical Center for Research (BCR) have signed an agreement whereby BCR will offer the products and services of Relais International to their members. BCR members will receive a 10% discount for the ILL and Document Delivery systems of Relais: Relais Enterprise, Relais ILL, Relais Access, and Relais Express. BCR members can contact BCR directly or visit the BCR web site for more information, and they may contact Relais International directly.

Relais™ International Inc is based in Ottawa, Canada and has been selling systems to support interlibrary loan and document delivery services since 1996. Relais International (www.relais-intl.com) assists libraries in implementing intelligent and automated methods to support the delivery of documents. Relais products range from scanning stations through to fully integrated request management, scanning and delivery software suitable for a single library through to a consortium.

The Bibliographical Center for Research (BCR) is a nonprofit, multistate library cooperative that has served the library community since its founding in 1935, providing cost-effective library and information services. Today BCR (www.bcr.org/) serves libraries in 42 states, Canada and Guam, many through statewide agreements with state library agencies in 11 western states allowing all libraries in those states to use BCR services as member institutions.
