
For Immediate Release

August 8, 2007

Relais™ International Inc and NELINET have signed an agreement whereby NELINET will offer the products and services of Relais International to their members. NELINET members will receive a 20% discount until November 1, 2007 for the Relais ILL system. After November 1, the discount will be 10%. Relais ILL is a fully automated ILL system in use in many academic libraries in North America. NELINET members can contact NELINET directly or visit the NELINET web site for more information, and they may contact Relais International directly.

Relais™ International Inc is based in Ottawa, Canada and has been selling systems to support interlibrary loan and document delivery services since 1996. Relais International (www.relais-intl.com) assists libraries in implementing intelligent and automated methods to support the delivery of documents. Relais products range from scanning stations through to fully integrated request management, scanning and delivery software suitable for a single library through to a consortium.

NELINET is a member-owned, member-governed cooperative of more than 600 academic, public, and special libraries in the six New England states. Our primary aim is to promote the advancement of libraries and to facilitate the ongoing sharing of library and information resources and services.
