Six Academic and Research Libraries Select Relais Express

Relais International is pleased to announce that the following institutions have selected and are implementing Relais Express:

Agriculture & Agri-Food Canada (Ottawa, Ontario)
Georgian College (Barrie, Ontario)
University of Ottawa (Ottawa, Ontario)
University of Western Ontario (London, Ontario)
Wilfrid Laurier University (Waterloo, Ontario)
York University (Toronto, Ontario)

Relais Express is designed for easy scanning and delivery of documents to patrons and to other libraries. Library staff can convert paper documents to electronic format by scanning, or they can use existing electronic documents anywhere on their network for desktop delivery to their patrons and to other libraries. Delivery can be done via FTP to Ariel and Odyssey, and by Post to Web, Email attachment, or fax. When delivering documents via Post to Web and Email attachment, Relais Express supports the delivery of documents in any file format. Relais Express also receives electronic documents from institutions using Ariel and Odyssey.

Relais™ International Inc is based in Ottawa, Canada and has been selling systems to support resource sharing, interlibrary loan and document delivery services since 1996. Relais International (www.relais-intl.com) assists libraries in implementing intelligent and automated methods to support requesting through to delivery of documents. Relais products range from scanning stations through to fully integrated request management, scanning and delivery software suitable for a single library through to a consortium.
